What prehad to sav:

"Without the worry of tuition fees, . ability to move out of home and experience ... more noteworthy ways. Gaining the scholarship gave me more faith and con dence within myself and my abilities. I have also had the chance to grow and learn as a person through the groups held within the scholarship."

G Rainbow, Law

"The Te Kakau a M ui scholarship has bene tted me by allowing me to focus on my studies without the worry of tuition fees later on in my degree. It has provided priceless help and support during my transition into tertiary education and guided me on my path into my engineering degree. I have enjoyed meeting likeminded rangitahi as part of the scholarship, creating connections and friendships through workshops, and sharing ideas and stories together."

K Jones, Mechatronics

HOW TO APPLY

Browse all available scholarships to find out what's on offer.

Read through the criteria to see if you are eligible.

Seholarship applications open eight weeks before the closing date.

Think about what you want to include with your application and, if required, who you will use as your referee(s).

Ensure you submit your information before the closing date.

The selection process typically takes 6–8 weeks but may take longer. Don't worry – we will notify you as soon as a decision has been made.
